

God made  
You Unique

*An Educational Thematic Venture  
into the Realm of the Heart*

God  
Remembers

Yahweh  
Rapha

If you were living in Biblical Israel as a youth or teenager at the time of Christ, No Dark Clouds brings forth the raw emotions of what a personal encounter with Jesus might have been like. If you were a slave, Roman soldier, Pharisee, even Barabbas or King Herod; R.W. Nelson, presents the reader a possible glimpse of their lives during the Passion Week, trial, and crucifixion. If you were in Jerusalem on Resurrection Sunday, this fictional novel enriches the life-changing effects of that day in the lives of Pilate, his wife Claudia, the Disciples, Cleopas, even the High Priest Caiaphas. No Dark Clouds brings forth a perspective of the Greatest Story ever told, that (hopefully) will motivate the reader to enhance their own personal encounters and life-changing effects of a Risen Lord.
